

PMH-P Heat Pump

R407c I-Way Blow Ceiling Cassette System

New Models

Utilising a compact and lightweight body, the unit is perfect for applications where ceiling space is limited. A total body weight of 14kg makes it one of the lightest available, whilst quiet running technology also makes it one of the quietest.

- > Compact size for handy installation and easy maintenance
- > Newly developed airflow control technology reduces noise levels
- > Only 230mm high
