

# PMFY-P40VBM-E

Indoor Unit

1-Way Blow Ceiling Cassette

Utilising a compact and lightweight body, the unit is perfect for applications where ceiling space is limited. A total body weight of 14kg makes it one of the lightest available, latest fan technology also makes it one of the quietest.

- **Compact size for handy installation and easy maintenance**
- **Newly developed airflow control technology reduces noise levels**
- **Drain lift pump mechanism allows the drain to be positioned anywhere up to 600mm from the ceiling's surface**
- **Only 230mm high**
- **Fresh air duct facility**

Pictures not to scale

## Product Details

| PMFY-P40VBM-E                      |                                                |
|------------------------------------|------------------------------------------------|
| Capacity (kW):                     |                                                |
| Heating (Nominal)                  | 5.0                                            |
| Cooling (Nominal)                  | 4.5                                            |
| Heating (UK)                       | 4.6                                            |
| Cooling (UK)                       | 4.3                                            |
| R410A High Sensible Cooling (UK)   | 3.3                                            |
| SHF R410A (UK)                     | 0.7                                            |
| SHF High Sensible R410A (UK)       | 0.76                                           |
| Power Input (kW) Heating (Nominal) | 0.054                                          |
| Power Input (kW) Cooling (Nominal) | 0.054                                          |
| Airflow(m3/min) - Lo-Mi1-Mi2-Hi    | 7.7-8.7-9.7-10.7                               |
| Noise (dBA) - Lo-Mi1-Mi2-Hi        | 33-35-37-39                                    |
| Width (grille) - mm                | 812 (1000)                                     |
| Depth (grille) - mm                | 395 (470)                                      |
| Height (grille) - mm               | 230 (30)                                       |
| Weight (grille) - kg               | 14 (3)                                         |
| Electrical Supply                  | 220-240v, 50Hz                                 |
| Phase                              | Single                                         |
| Mains Cable No. Cores              | 3                                              |
| Running Current (A) - Heating      | 0.26                                           |
| Running Current (A) - Cooling      | 0.26                                           |
| Fuse Rating (BS88) - HRC (A)       | 6                                              |
| Grille Ref                         | PMP-40BMW WHITE<br>GRILLE FOR PMFY-<br>P VBM-E |
